PEAR System Analysts,

Department of Computer Sciences,

University of Lagos, Akoka

1st March, 2017

The Proprietor,

Flourish College

Dear Sir,

REQUEST TO ACCESS STUDENTS' EXAMINATION PROCESSING SYSTEM

      I, Mr. Fasipe Timilehin, an alumnus of FLOURISH COLLEGE write on behalf of my group— PEAR SYSTEM ANALYSTS seeking to gain access to the School's examination processing system for a project. The project which implements the theoretical part of a particular course we are offering this Academic Semester : CSC321 (Systems Analysis and Design), requires each group to visit an organization, analyze their information system, and if need be design a better information system. The project's span is a maximum of 3 weeks. We look forward to get a favorable response from you soon.

Thanks in anticipation.
